

LOCAL FOOD RESOURCES

While we may not be directly affiliated with the church, we want to express our heartfelt gratitude for being part of such a caring community. They offer vital outreach ministries that support families in need, including the provision of food boxes to those in the Greeley area. If you or your family are facing challenges, please don't hesitate to visit their website [here](#) for more information or reach out to [Ms. Rhonda](#). She is more than willing to help ensure your family receives the nourishment you need.

Weld Food Bank

Weld Food Bank offers a variety of food resources for families, including their local food bank warehouse in Greeley, mobile markets, a backpack program, a kid café, and several other local options. Click [here](#) for more information.
