

# Wee Love Preschool's Kindness Rock Garden How It Works...

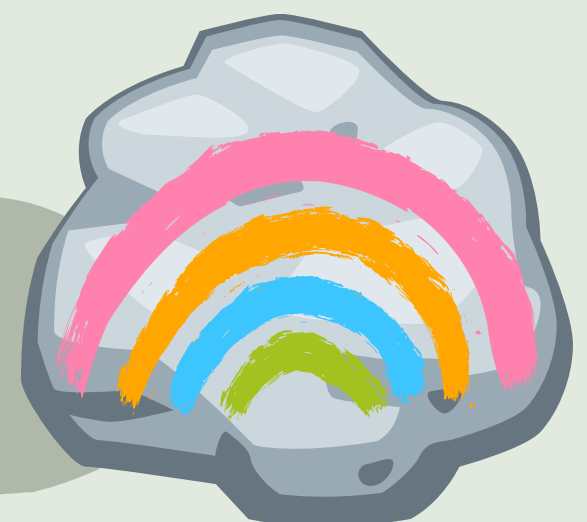

Take a kindness rock  
from the garden

Paint your own kindness  
rock at home

(You may clear coat the paint or it  
may not survive the outside elements)

Plant your rock back in  
the community

Bring your rock back to the  
preschool kindness rock garden

OR

Bring your rock to a park, a walking  
trail, neighborhood, etc.
