

Summer

2026

FUN WITH WEE LOVE

Just because the school year has ended doesn't mean the fun and learning have to stop! Be sure to check your emails and our social media throughout the summer. We will share fun activities to do around town with your family, many of which will be free. You can also find these free items on our Summer 2026 page [here](#). Through email, we'll send lesson plans to help keep your little ones' skills sharp as they prepare for the next school year. Let's continue to grow while learning through play.

FRIENDRAISERS

We will host summer fundraisers at the preschool, providing a chance for past, present, and future students to reconnect. Little ones are welcome, so invite friends and family—the more, the merrier! Dates may change due to weather, so please check our [calendar](#) for updates.
